## VOLUNTEER APPRECIATION EVENT

Yearly, Oakwood Village celebrates our volunteers who enhance our campus community. Volunteers will receive an official invitation in March with detailed information.

## SHARING YOUR TIME AND TALENTS AT OAKWOOD

The Prairie Ridge campus is lucky to have a devoted array of volunteers that share their time and talents on campus. Volunteers give of their time through being on resident council, a floor rep, part of a committee/group, or leading a program. Volunteers should log their hours either on a volunteer pink sheet or on VicNet. If you know of residents volunteering, and have not registered please have them reach out to Volunteer Services.
