OAKWOOD VILLAGE PRAIRIE RIDGE HELPFUL NOTE

SPECIAL THANKS FOR JUNE

Thank you to the volunteers and staff that helped with the Haven's Petting Zoo. A special thank you to the National Charity League spending the morning with us.

Thank you to all those that volunteered with Make Music Madison on the Prairie Ridge Campus. Special thanks to Gloria and Ed Grys for organizing and hosting the day of the event. It was wonderful having the Prairie Ridge choir and resident musicians take part of this event.

The Green Committee's hard work has come into action. As of June 17, the Settlers Ridge solar panels are currently live. The power of the common area in Settlers Ridge is now supplemented by the solar panels.
