## VOLUNTEER SERVICES HELPFUL NOTE

As we welcome in 2022, I am excited to start a new year at the Prairie Ridge campus as the

Volunteer Services Coordinator. I have been with Oakwood the last 10 years in the Life Enrichment Department, but now begin a new prospective. I have been in this new role for a month, and enjoy learning something new every day.

The Prairie Ridge campus has been full of activity with many offerings, still being mindful of COVID-19 precautions over the last year. If you are a **NEW** resident and interested in volunteering, please feel free to reach out to me, and we can find how to best share your time and talents with our campus. There are always new opportunities available to volunteer for so keep your eyes on your email, Touchtown Community App, and Touchtown screens for options.

Thank you volunteers for sharing your time and talents.
