

Helpful Note: MARCH

Emily.lueloff@oakwoodvillage.net or 608-230-4213

The Prairie Ridge campus is lucky to have a

devoted array of volunteers that **SHARE** their time and talents on this campus. Reminder if you are on resident council, a floor rep, part of a committee/group, or lead a program to log your hours. Hours can be logged on volunteer pink sheets or on VicNet. If you know of residents volunteering, and not registered please have them register by reaching out to me. In addition as chair/lead, if you are interested in having a sign in sheet helping to better log meeting hours, I can provide one for you.

LAUNCHING VicNet

* www.oakwoodvillage.net

* Volunteer (upper right hand corner)

* Oakwood Volunteer Login (scroll to bottom of page)

Login to VicNet

FIRST TIME LOGIN

*Enter email address

*Click forget password (check email to reset password)

LOG VOLUNTEER HOURS

* Click time sheet

* Click date, time you volunteered, and assignment – if assignment option not available contact volunteer coordinator

Walking Companion

This month we are highlighting how we can **SHARE** in our Oakwood Community.

If any residents, staff, and/or friends of Oakwood would like to **SHARE** a display of any sort in the glass case by the Community Center elevator, contact Emily.lueloff@oakwoodvillage.net or 230-4213.

Sweater Drive @ Oakwood

Want to give your old wool sweaters a new life and to feed the hungry at the same time?

Donate to ReMitts.org

They will craft your 100% wool old sweater into beautiful mittens to sell during the Holiday Season.

For 13 years since 2009, over \$649,000 has been raised and donated to the Madison Area Food Pantries.

Where to donate: Collection barrel is by the left window at the lobby

Duration of Drive: March 1st to April 12th, 2022.

Dementia Assist Card

How to HELP!

Use PPA – Positive Physical Approach™

- Stop 6 feet out front – public space
- Look friendly and make *Hi!* sign with hand
- Offer hand, making eye contact
- Approach from the front – moving slowly
- Initiate the greeting and introduce yourself
- Keep shoulders and face back – respect intimate space
- Use a supportive stance – (stand to the right-hand – not in front)
- Get to their eye level (central vision) staying at arm's length
- **Wait** for their response before continuing...
- Make positive statements
 - “Let’s try...”
 - “Do this...” (show what you want the person to do with your body)
 - “Could you please help me...”

These tips state how to position oneself for supportive and less stressful interaction.

This approach can be used when greeting any resident.
