

OAKWOOD VILLAGE

PRAIRIE RIDGE

Life on the rise

Living at Oakwood means living well. ▶

People Thrive Here

Oakwood Village Prairie Ridge is a place that quickly feels like home. The community is built around a core belief: that the individuality and authenticity of every resident are treasures to be nourished not only by friends and neighbors, but also by Oakwood itself.

We honor and support the spiritual and cultural values shared among our residents. We are Lutheran in our roots, but all are welcome.

Simply said, you can easily be yourself here.

Upsizing your Life

This community's 18-acre campus feels even bigger, situated on a rise with horizons in every direction. Watching the sun rise and set in the prairie sky is a source of enjoyment for many who live here. Walking trails are a popular choice for exercise and enjoyment of the outdoors. Personal gardens that residents plant, tend and harvest are an important feature of our campus.

Your apartment home will be central to your daily living, but life beyond the front door always beckons. Enclosed walkways lead to full-service dining, the chapel and inviting

common areas where friends can gather regardless of the weather outside. A beauty salon and a small grocery where produce is delivered on a regular basis add to the feeling that you are living in your own special community. Take one of our buses for errands and you'll quickly appreciate the safety and convenience.

Life at Oakwood is filled with opportunities for lifelong learning, enjoying the arts and celebrating special events. If you're looking for a new sense of fulfillment, this may be the perfect place.

Health and Wellness

Moving to Oakwood is a healthy choice in a number of important respects. The community takes a proactive approach to helping residents stay well. Our focus on intellectual growth, spirituality and social opportunities benefits residents' overall well being, while our fitness opportunities and trained staff focus on physical health. Oakwood offers healthy habits and strategies for exercise, nutrition, bone health, balance and fall prevention—things that are important for remaining active and independent.

In addition, our campus includes a wellness center and offers physical, occupational and speech therapy services.

If and when your health needs change, we're here to help and support you.

As a Continuing Care Retirement Community, Oakwood offers state-of-the-art assisted living, memory care, nursing care and rehabilitation services—all within the Prairie Ridge community.

Choose Your Own Path

Regardless of when you plan on moving, we invite you to look further into Oakwood Village Prairie Ridge. The more you know, the more confident you'll be in choosing Oakwood. You can meet potential neighbors, talk with staff members, go for a stroll on the walking paths and get an overall sense of our community.

Our campus is open for you to explore.
